Each box contains the finest solid dark chocolate pieces from NOKA's Vintages Collection and is adorned with a hand-tied double-faced satin ribbon in white, silver or black. For the discriminating bride, NOKA offers over 100 additional ribbon colors and the option of adding a custom message and/or logo on the ribbon.

Now that you are thinking inside the box.....The Elegant White Keepsake Box offers the versatility to suit every need for your wedding. Consider using the Elegant White Keepsake Box as a place card holder with each

guest's name engraved on the ribbon. Treat your out-of-town guests with a sweet surprise by placing a box in their hotel room.
